SIR,

I have the honour to state that the provision in the Local Fund General Budget on account of pay etc of the Well-boring Establishment has been exhausted and the pay of this establishment could not therefore be passed from April 1913 onwards until the necessary funds were obtained by reappropriation. This fact was intimated to the State Geologist who in his letter No.2777 dated 17th May 1913 states that he has applied to the Government for reappropriation of funds and requests that the pay bill of the Well-boring establishment for April 1913 may be passed, since the establishment is put to much inconvenience owing to nonreceipt of pay. Under the circumstances I beg to report that the pay bill for April for Rs.112 has been passed for payment provisionally, pending sanction of Government.

I have the honour to be,

Sir,

Your most obedient servant.

S. Shamanna.
